ABOUT US

We're a new business dedicated to solving a critical challenge: making hard-to-find fire and safety equipment accessible to the industries that rely on it most.

Focusing on the Oil & Gas, Energy, and Manufacturing sectors, we identified a gap in the market where specialized gear and trusted brands were difficult to procure. We're here to change that.

Occunomix Heat Stress Prevention Solutions

Heat Stress is a major threat to workers in the Energy, Manufacturing and Construction industries. Every year hundreds of workers suffer from heat strokes and even death, due to the lack of heat stress prevention policies.

Occunomix offers a range of Cooling Solutions such as Evaporative Cooling Vests, Phase Change Vests, Cooling Bandanas/Gaiters and Hard Hat Shades.

Usage of such Cooling garments can keep heat stress hazards in check and allow for increased operator comfort and productivity.

Alongside the listed specialized items, we also provide full head-to-toe PPE solutions:

- Body Protection
- Head Protection
- Hand Protection
- Foot Protection
- Respiratory Protection
- Fall Protection
